SB ASBESTOS Survey and Management Environmental Jersey

To whom it may concern

This letter is to confirm that Mr Stephen Brocken performed a survey at the Pontac House Hotel. The service was prompt, extremely professional and all within the costs and timescale that he quoted.

Mr Brocken proved himself to be incredibly knowledgeable in all aspects of asbestos management but he conveyed it all in a non-technical and easy to understand manner, and therefore a pleasure to deal with.

I can happily recommend Mr Brocken and his services unreservedly.

Regards

Aurelio Pinto

Manager
